

Hello Future Cougars!!

John F. Kennedy High School, Sacramento, California, was established in 1967, and serves the Greenhaven/Pocket area, a suburb of Sacramento. In the 50 years of its existence, the John F. Kennedy Marching Band and Color Guard has had only five Band Directors, who have lead the band through many successes and numerous musical experiences, one of which was performing in Washington D.C. in 2018. The JFK Band & Color Guard represented the entire state of California and marched in the National Memorial Day Parade aired live across the United States,, toured the White House, among other various history landmarks. The organization currently boasts 120+ members, and is winning awards all over Northern California in various field show competitions. JFK also participates in various community events such as the MLK 360 Parade, held annually on Martin Luther King Jr. Day. In the Winter/Spring months the marching band converts into an active concert band and jazz band, and performs in over five concerts. JFK also has award winning Winter Percussion and Winter Guard groups which compete all over Northern California between the months of January and April. This year we are currently planning a trip to Walt Disneyland for the upcoming 2019-2020 school year. There are numerous ways of earning money for a free trip.
